Gentlemen:

We are starting an underground mining operation for Uranium and Vanadium Ore in San Juan County, Utah. The mine site portal is on the Martin Ranch (fee ground) and located in the SE/4 of the SW/4 of Sec.22, T28S, R23E, in an area known as Brown's Hole.

Northland Resources of Farmington, New Mexico controls the properties. We have an operating agreement with Northland and Cranjac Mining Co., P.O. Box 59 of Green River, Utah is contracted to do the development work. Mr. Nick Cranjac is in charge of the work.

If you need any additional information please let us know.

Very truly yours,

R.E. Kunkel
